

My Missouri “MyMO” SCHOLARSHIP PROMISE

“MyMO” Scholarship Promise will assist Missouri students from low-income backgrounds on their pathway to college starting 9th grade year. The yearly benchmarks will help students be more college ready by senior year.

Earn Scholarship Dollars for College: Students earn \$2,500 each year by meeting college-going benchmarks, totaling \$10,000 by senior year. These funds will be disbursed directly to the school in the form of an outside scholarship to any eligible college in Missouri on behalf of the student.

Entry Period: Application opens October 1 of freshman year of high school

Student Eligibility:

- Must fill out the Free Online Application for the College Board EFC Calculator. You will need information regarding your family’s 2020 income and assets to complete the calculator. If your Estimated Family Contribution (EFC) on the estimator is 5,846 or less (this is the EFC which qualifies students for Federal Pell Grants), you are eligible to apply for MyMo. *Note:* As a 9th grader, you cannot yet complete the actual FAFSA. You must complete the College Board EFC Calculator for the purposes of the MyMO application.
- Must be a U.S. citizen or resident alien with a verified permanent Missouri address and valid Social Security Number or other taxpayer identification.
- Must be a Missouri high school freshman at a public, charter, or private high school or be homeschooled (with residence in Missouri).
